Subject: Donlin EIS: Corps Team itinerary for the McGrath Scoping Meeting February 15-16

Attachments: Donlin McGrath Travel Itinerary - Corps Team.docx

Friends,

Please find attached an itinerary for the Corps traveling team. This is similar to what we have done before, except that this time, the agency representatives would book their airlines and lodging directly.

(Let me note that Kim Varner Wetzel and Moxie Alexie will be supporting Don for this meeting. (b) (6)

[REDACTED]

We have initiated the public notice in McGrath, including notices posted in town, a public service announcement for KSKO radio, and calls to the city and corporation, as well as the tribe. We will also make these same efforts for notice in the neighboring villages of Telida, Nikolai, and Takotna.

We look forward to more information on travel plans for Amanda Shearer, BLM and EPA.

Phil, I have included you in this e-mail just in case the FWS is planning to send someone.

Thanks to all.
